SUUNTO EON STEEL BLACK

Explore like never before.

EON STEEL

The Suunto EON Steel Black is the ultimate dive computer for demanding divers. It features Suunto Fused™ RGBM 2 and Bühlmann 16 dive algorithms, multi-gas and CCR support, and customizable dive modes. Its durable design includes a brushed stainless steel bezel and a high-contrast screen, with a battery life of up to 40 hours. The intuitive 3-button layout and wireless mobile connectivity via the Suunto app enhance usability. Transfer dive logs, monitor gas pressure, and connect up to 20 Suunto Tank PODs wirelessly. Designed and tested by divers, this device promises reliability and longevity.

- Multiple Algorithms
- Customisable
- Updatable Software
- Wireless Mobile Connection
- Wireless Tank Pressure
- Rechargeable Battery
- For All Diving
- 150m Water Resistant
